

OHSE Policy

At R&L Hiab Transport, a commitment to occupational health and safety is a major part of our business.

This is achieved by:

- Complying with statutory requirements, codes, standards and guidelines;
- Setting up objectives and targets with the aim of eliminating work related incidents in relation to our activities, products and services;
- Defining roles and responsibilities for occupational health, safety and environment.
- Implement safe systems of work.

Strategies will include:

- Ensuring occupational health, safety and environment management principles are included in all organisational planning activities;
- Providing ongoing education and training to all our employees;
- Consultation with employees and other parties to improve decision making on occupational health, safety and environmental matters;
- Ensuring incidents are investigated and lessons are learnt within the organisation;
- Distributing occupational health, safety and environmental information, including this policy, to all employees and interested parties;
- Providing resources to ensure occupational health, safety and environment is a central part of the organisation;
